

# Supply List for WWS 2023-2024

## GRADE 6

For the 2023-2024 school year, families are asked to please send **\$50.00** to cover the cost of school supplies that each student will need across all subject areas.

**The \$50.00 will cover the following items:**

- **Art Kit: \$20.00** (As Madame Savoie purchases the Art supplies in bulk quantities at wholesale cost and ensures we get quality materials we ask that **all families pay the cost of the Art Kit.** (Most of these items will move with the students into Gr. 7, 8 and 9 if students take care of them. This will reduce the cost of supplies for the following 3 years.)
- **Classroom Supplies** (as listed below): **\$30.00**

**Payment Options:** Cash, cheques made payable to “Walter Whyte School” or an e-transfer to: [gjuvonen@lssd.ca](mailto:gjuvonen@lssd.ca). **Payment is due by Friday June 23, 2023.**

---

If you choose to send only the \$20.00 for the Art Kit and would prefer to do your own shopping to purchase the classroom supplies and calculator, this list will assist you with the specific items that are required to ensure all students have high-quality materials that have the best function and durability.

### Required Classroom Supplies:

- 36 pencils (3 packs of 12) Dixon or Staedtler brand
- 2 glue sticks – UHU brand
- 2 sharpies (1 extra fine and 1 fine)
- 2 erasers (Staedtler brand)
- Scissors – Fiskars brand
- Pencil crayons (pkg 24) Crayola brand
- Markers (pkg 24) Crayola brand
- 1 Pencil Case
- 1 Calculator

To continue keeping our gym floor in the best shape and to avoid getting sand on the floor, **EVERY STUDENT** will be expected to remove their outdoor shoes and have a proper pair of indoor running shoes to participate in all activities in the gymnasium. Thank you for your support in this very important request!

**Gym equipment:** T-shirt, shorts, cloth gym bag, 1 pair running shoes for inside (non-marking), 1 pair running shoes for outside. \*Cross Trainer, Basketball, or Running shoes only. No skateboard-casual runners (these are not safe for Phys.-Ed.

Students will also need a personal water bottle for the water filling stations.
