

Supply List for WWS 2023-2024

GRADE 9

For the 2023-2024 school year, families of Gr. 9 students are asked to please send **\$40.00** to cover the cost of **Classroom Supplies** and an **Art Kit** and that each student will need across all subject areas.

The \$40.00 will cover:

- **Art Kit: \$10.00** (As Madame Savoie purchases these consumable Art supplies in bulk quantities at wholesale cost and ensures we get quality materials we ask that **all families pay the cost of the Art Kit**) Students in Gr. 9 already have their individual Art supplies from last year here at the school.
- **Classroom Supplies: \$30.00**

Payment Options: Cash, cheques made payable to "Walter Whyte School" or an e-transfer to: gjuvonen@lssd.ca.

Payment is due by Friday June 23, 2023.

If you choose to send only the \$10.00 for the Art Kit and would prefer to do your own shopping to purchase the classroom supplies and calculator, this list will assist you with the specific items that are required to ensure all students have high-quality materials that have the best function and durability.

Required Classroom Supplies:

- 36 pencils (3 packs of 12) **Dixon** or **Staedtler** brand
- 2 glue sticks – **UHU** brand

Thank you for your support in this very important request!
